

Jeremy Stansfield

9-Star Diamond Director, Utah, USA

There are a lot of miles between life as a carpet installer and being a 9-Star Diamond Director and the 2009 Distributor of the Year. Jeremy Stansfield has sped through that journey. He certainly has the vehicles to accomplish such a feat. Jeremy possesses a stable full of Hummers, ATVs, snowmobiles, jet skis, boats, an RV, and a sizzling yellow Lamborghini—his reward for taking home the \$250,000 top prize in last year’s Millionaire Challenge. But none of those would be parked in his garage without Jeremy’s real vehicle for success: USANA.

That vehicle took Jeremy from a man with big dreams to one of the most successful, recognizable faces in USANA. “People see me as a carpet installer who found USANA and suddenly built this big business,” he says. “The fact of the matter is that I’ve had big dreams for a long time. If people could just temporarily

experience the freedom a USANA business can provide, they would drop everything to focus on making the lifestyle of their dreams possible.”

With the help of USANA, Jeremy lives that dream lifestyle every day. He wakes up in a spectacular home comfortably nestled in the heart of Utah’s Rocky Mountains, surrounded by breathtaking views. There are the garages filled with things most only dream of. Most importantly, there’s the time freedom to enjoy it all with his two young daughters, who love spending time at the nearby lake, snow-skiing, taking trips in the RV, or traveling with their dad at a moment’s notice. With his USANA lifestyle, the travel opportunities to fun and exotic locations are endless. “You are treated like royalty on the first-class Fortune 25 leadership trips!” Jeremy states.

He shares the riches of his USANA success with others, as well. “Giving back to Children’s Hunger Fund is a

big part of my life!” he comments. Jeremy’s grandmother desperately needed a new car. She had always dreamed of a little red sports car. “The look on her face was priceless when I was able to make this dream a reality on Christmas morning for her!”

The outdoor-lover’s Mecca that surrounds Jeremy’s home is the perfect arena for letting friends and family enjoy the fruits of his hard work. “It’s not necessarily owning these items that brings me the most joy,” Jeremy says. “It’s about using them as tools to bring our family, friends, and prospects together.”

For Jeremy, another perk of USANA is the ability to positively affect the lives of others by helping them travel the road of their dreams. “None of us have any limits. We don’t,” he says. “If you reach down deep inside, you will discover you can accomplish whatever you want to accomplish, with USANA as your vehicle.”
